Grenache

The Grenache grape originated in Spain where it is the most cultivated red grape and is also found in the Rhone Valley of France. The grapes were harvested late resulting in a robust wine. To add to the complexity, we added 10% of our Cabernet Sauvignon: The taste is that of cherries and toasted almonds and is slightly sweet

Serve with: Turkey, pork and lamb, plus quiches.

Serve: Slightly chilled.

Filsinger Vineyards & Winery is family owned and dedicated to producing only the finest varietal wines. To visit our tasting room just call or write:
